man Catholic Cathedral, Caine Road, tomorrow at 9.45 a.m., in commemoration of the Colony's Jubilee. Roman Catholics of various nationalities are invited to attend.

As we mentioned yesterday, a Jubilee Stamp will be issued to the public on Thursday, Friday and Saturday. It is the ordinary two-cent stamp with the following words printed on it :-

'1841-Hongkong Jubilee-1891.'

As a large number of Naval and Military officers are likely to attend at the Special Service in St. John's Cathedral, twentyone seats have been reserved in the body of the Church for their use. Foreign Consuls will be accommodated with reserved seats in the Chancel.

We have received from the composer, Mr N. Ruchwaldy, a copy of 'The Hongkong Jubileo March.' The march is dedicated by. Beanard. The gallant Admiral, who is a permission to their Excellencies Sir William and Lady Des Vœux, who have been pleased to accept a special copy, lithographed on satin. It is not by any means a pretentious ful and easy to play. It will be performed during supper at the Jubilee Ball to-morrow night, by the band of the Argyll and Sutherland Highlanders.

THE following protest, signed by twentytwo Americans and Englishmen in Macao, was sent to Messrs. Baldwin Brothers, who gave a parachute performance in that Colony on Sunday last.

THE BALDWIN BROTHERS, DEAR Sire,—Having just learned of your proposed Balloon Performance on Sunday next, at the Macao Tennis Grounds, adjoining the Protestant Cemetery, we beg you as Americans to give it upon a weekday, as at Hongkong, and avoid the desccration of the Sabbath and the outraging of Christian sentiment.-Macao, 17th Jan.,

The protesters claim that the place from part of the Protestant Cemetery ground, for which the Jardine, Russell and Dent firms and others in Hongkong subscribed. That being so, the American and English missionaries doubtless thought it their duty to protest. Messra Baldwin, we suppose, acted on the principle of doing in Rome as the Romana do. The Portuguese, as most Catholics, consider it no sin to amuse themselves on Sunday, and official balls are often given in the 'Holy City' on Sundays. If, however, Messrs Baldwin came within the territory of the Missionaries or latter, holding the strict views they do, was only natural.
